

## MATERIAL SAFETY DATA SHEET

Sample code: IRB LASG

Sample name: LEONTOPODIUM ALPINUM STEMS G

<b>1. Sample and company identification</b>	
<i>Sample identification</i>	
Sample code:	IRB LASG
Sample name:	LEONTOPODIUM ALPINUM STEMS G
EINECS number:	-
CAS number:	-
<i>Company identification</i>	
Company:	I.R.B. s.r.l. via Lago di Tovel, 7 – Altavilla Vicentina (VI) - Italy Tel: 0039 0444 371463
<b>Use:</b>	Cosmetic
<b>2. Composition of the product</b>	
<i>Leontopodium alpinum</i> cell cultures glycerol preparation (1:4). Dangerous components: none.	
<b>3. Hazards identification</b>	
This substance is not classified as dangerous.	
<b>4. First aid measures</b>	
<i>Skin:</i>	wash the affected area under running water and mild soap.
<i>Eyes:</i>	flush eyes with plenty of water, occasionally lifting the upper and lower eyelids.
<b>5. Fire fighting measures</b>	
<i>Extinguishing media:</i> use water spray, carbon dioxide, dry chemical or appropriate foam.	
<b>6. Accidental release measures</b>	
Dry and absorb with inert material (e.g., dry sand, paper, sawdust) and transfer in disposable containers. Collect the residual spilled material and clean with water and mild soap the affected area.	
<b>7. Handling and storage</b>	
<i>Handling:</i>	Wear appropriate personal protective equipment (gloves and goggles).
<i>Storage:</i>	Store the product in the original, well closed container, in a cool, dry area and protected from light.
<b>8. Exposure control and personal protection</b>	
<i>Personal protective equipment:</i> wear appropriate personal protective equipment (goggles and gloves).	

## MATERIAL SAFETY DATA SHEET

Sample code: IRB LASG

Sample name: LEONTOPODIUM ALPINUM STEMS G

<b>9. Physical and chemical properties</b>  Physical state: liquid Appearance: light brown Odor: characteristic
<b>10. Stability and reactivity</b>  <i>Chemical stability:</i> stable under recommended storage conditions. <i>Materials to avoid:</i> none to the best of the present knowledge
<b>11. Toxicological information</b>  Toxicological properties have not been fully studied.
<b>12. Ecological information</b>  Dispose of in accordance with national and local regulations.
<b>13. Disposal considerations</b>  Dissolve or mix the material with water and dispose of as organic waste. Packing: dispose of the packaging in accordance with regulations being in force.
<b>14. Transport information</b>  Not submitted to transport regulation.
<b>15. Regulatory information</b>  The product does not require any labelling in application to directives 67/548/CEE and 1999/45/CE.
<b>16. Additional information</b>  <b>S36</b> Wear suitable protective clothing  The information above is believed to be accurate and represents the best information currently available to us. However, we make no warranty with respect to such information and we assume no liability resulting from its use.
